

HOV Series of Camera Housings

- Indoor or outdoor installations
- Side opening for easy camera servicing
- Weatherproof IP66/IP67
- Available with heater and sunshield
- Wall mounting option

The HOV housing series is designed to provide total protection against all environmental conditions. Its weatherproof feature is ensured by neoprene-rubber gaskets and 3 cable glands with specific gaskets. A model with a sunshield and heater provides even further protection from the elements.

The side opening provides easy accessibility to the camera, lens and all wiring and connections. The body is constructed of aluminum. The sunshield is constructed of ABS material.

A wall mount with an internal channel for wiring is available.

Mechanical

Construction:	Housing: aluminum. Sunshield: ABS. Glass window. Stainless steel external screws. Neoprene-rubber gaskets.
Cable Access:	3 M16 cable glands.
Heater Thermostat:	On: 59° F (15° C). Off: 71° F (20° C). F: ±5°; C: ±3°.
Power Consumption:	20 W for heater.
Dimensions:	Length: 9.8 in. (514 mm). Height: 6.3 in. (160 mm). Width: 6.9 in. (176 mm).
Internal Usable Area:	Length: 9.8 in. (250 mm), without accessories. Height: 2.7 in. (70 mm). Width: 3.9 in. (100 mm).
Window:	Height: 2.7 in. (75 mm). Width: 4.6 in. (118 mm).
Weight:	6.6 lb (3.0 kg). 9.5 lb (4.3 kg) with sunshield and heater.
Shipping Weight:	7.5 lb (3.4 kg). 9.9 lb (4.8 kg) with sunshield and heater.

Environmental

Operating Temperature Range:	-4 to 140° F (-20 to 60° C) with heater.
Certifications:	IP66/IP67 EN60529.
Warranty:	3 years.
